MIDDLETOWN PROPOSED ZONING ORDINANCE UPDATE**

The City of Middletown Planning & Zoning Department will host an Open House for the proposed Zoning Ordinance update on April 13, 2017 at 5:30PM at the City Building, One Donham Plaza, on the 2nd Floor in Conference Room 2C, between 5:30pm and 7:30pm, to allow for public review and comment. Wendy Moeller from Compass Point Planning, the consulting firm hired by the city to develop the updated zoning ordinance, will be available throughout the evening to answer questions.

A number of displays will be set up to provide general information on the proposed zoning and to highlight specific areas of interest and copies of the proposed ordinance and zoning map will be available for the public to review.

There will be no formal presentation, but the open house format should encourage attendees to stay for as long, or as little, as they wish between 5:30 and 7:30pm to take a look at the proposed zoning map, text, and chat with the consultant and staff to make comments.

The proposed zoning ordinance is available for review online at www.MiddletownByDesign.com.
