

CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

The first year of the 2015-2019 Consolidated Plan focused on bringing properties into Code Compliance. The bulk of the funding for this program year was allocated towards Code Enforcement compliance. Code enforcement staff completed 6678 property inspections in program year 2015, identifying 5377 property violations. 2080 of the property violations were resolved voluntarily by the homeowner and another 3297 were resolved contractually or by other means. Repair of deferred maintenance housing violations ranged from minor painting to installation of a new roof. Other positive accomplishments for the 2015 program year included: 55 emergency repair calls to service for low income homeowners; legal representation through Legal Aid for tenant/landlord, foreclosure, and fair housing issues for 38 low-moderate income residents; fair housing testing and education through Housing Opportunities Made Equal who assisted 38 individuals with fair housing complaints.

Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)

Categories, priority levels, funding sources and amounts, outcomes/objectives, goal outcome indicators, units of measure, targets, actual outcomes/outputs, and percentage completed for each of the grantee's program year goals.

Table 1 - Accomplishments – Program Year & Strategic Plan to Date

Assess how the jurisdiction's use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

Neighborhood revitalization continued to be the focus of the 2015 Annual Action Plan for the City of Middletown. Major priorities were Code Enforcement, emergency repair which was administered through the non-profit, People Working Cooperatively (PWC), and public services. The City was awarded demolition grant money through the Neighborhood Improvement Program in conjunction with the City of Hamilton. We are working on identifying properties that meet this grant's requirements for demolition. Demolition will continue to be a focus the upcoming program year coupled with heavy code enforcement.

Leveraging

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

For the purpose of leveraging in IDIS, the City used a conservative estimate of \$100 as an average repair cost per housing violation and \$40 as an average tall grass, weed, and trash repair cost. Therefore, voluntary tall grass violations leveraged \$104,240 and voluntary resolved housing violations leveraged \$69,100 in private capital. The City utilized \$262,174.69 from the City's abatement fund for nuisance abatement and board-ups cost. Therefore, the City successfully leveraged approximately \$.95 in other local and private funds for every \$1 spent from CDBG for projects completed in the 2015 program year.

CR-20 - Affordable Housing 91.520(b)

Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.

Narrative Information

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

City staff actively participated in the Butler County Housing and Homeless Coalition and continued regional meetings with partner jurisdictions to discuss programmatic and overall community needs. In addition, the City continued to partner with Neighborhood Housing Services to offer first time homebuyer classes and administer our Down Payment Assistance Program. Foreclosure counseling/prevention was provided by Legal Aid of Greater Cincinnati as well as Neighborhood Housing Services. In addition, the Community Revitalization Director is a member of a county-wide foreclosure prevention group.

Addressing the emergency shelter and transitional housing needs of homeless persons

The City partners with Hope House Rescue Mission, our local homeless shelter to provide services.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

Housing in Middletown is very affordable. In addition, PWC offers programs to persons with disabilities in need of assistance. The City has a wide variety of subsidized housing options including properties through the Butler Metropolitan Housing Authority, affordable senior housing and low income housing tax credit properties.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The City of Middletown is an active participant in the Butler County Housing and Homeless Coalition. Additionally, Butler Metropolitan Housing Authority (BMHA) has a working relationship with Transitional Living who provides mental health assessment and permanent housing placement

services. Also, Hope House Rescue Mission services approximately 400 yearly who need temporary shelter. The shelter houses 48-50 people daily. Hope House has programs in place that not only provide temporary housing (normally 3-6 months) but also connect with County services (Transition Living/ Section 8) and in-house case management programs to help these families start over. The City also operates a public transit shuttle to Hamilton, the County seat, providing transportation to low income and homeless persons to county agencies.

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

The City of Middletown has continued to strengthen its relationship with Butler Metropolitan Housing Authority (BMHA), engaging them through Continuum of care processes. The Director of Community Revitalization and BMHA's Director have each joined several housing and homeless groups and work together to jointly address the public housing needs of Middletown.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

As discussed in prior program years, the barriers to affordable housing include lending guidelines becoming more stringent and the stressed conditions of the overall housing stock. The City combated these issues by providing down payment assistance to home buyers through the HOME program and offered emergency repair services through the non-profit People Working Cooperatively using CDBG funds. The City continued comprehensive housing rehab through NSP3 that sell at full list price and are then subsidized down to an affordable level for the buyer.

Actions taken to provide assistance to troubled PHAs

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

Not Applicable

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

The largest obstacle to meeting under-served needs remains inadequate ongoing funding. In 2012, the City received a large grant (Moving Ohio Forward) for the sole purpose of residential demolition. That has been a tremendous help in removing a portion of the vacant residential properties in various stages of disrepair that are creating significant blight in the City which in turn are lowering neighborhood home values and creating further vacancies. Continuous funding for such demolition efforts over the next several years could fix most of the City's problem with vacancies and help increase property values. However, that was a one-time grant, and while appreciated, it will only resolve a portion of the problem. The City has also received a grant, in partnership with the City of Hamilton, under the Neighborhood Improvement Program to demolish additional properties. The City is currently working to identify properties for this grant. The Community Revitalization Department will continue to remove blight wherever possible, rehab whenever feasible, and fill quality properties with new homeowners whenever possible.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

See previous answer.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

The City of Middletown partners with numerous non-profits including, but not limited to, H.O.M.E.; Legal Aid; PWC; the Community Building Institute; Hope House; and several others to insure that poverty level families are getting the access to any and all services that can help them.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

City staff actively participated in the Butler County Housing and Homeless Coalition and continued regional meetings with partner jurisdictions to discuss programmatic and overall community needs. In addition, the City continued to partner with Neighborhood Housing Services to offer first time homebuyer classes and administer our Down Payment Assistance Program. Foreclosure counseling/prevention was provided by Legal Aid of Greater Cincinnati as well as Neighborhood Housing Services. In addition, the

Community Revitalization Director is a member of a county-wide foreclosure prevention group.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

City staff actively participated in the Butler County Housing and Homeless Coalition and continued regional meetings with partner jurisdictions to discuss programmatic and overall community needs. In addition, the City continued to partner with Neighborhood Housing Services to offer first time homebuyer classes and administer our Down Payment Assistance Program. Foreclosure counseling/prevention was provided by Legal Aid of Greater Cincinnati as well as Neighborhood Housing Services. In addition, the Community Revitalization Director is a member of a county-wide foreclosure prevention group.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

The City of Middletown partnered with Butler County for our analysis of impediments.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

In Program Year 2015, the City of Middletown conducted telephone and desk reviews at least quarterly for each subrecipient. For in-house projects, reviews were ongoing to assure project guidelines were met.

Subrecipient monitoring indicated overall program compliance.

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

Draft copies of the CAPER were made available to residents beginning July 15, 2016. An ad was placed in the Middletown Journal notifying citizens of the public comment period from July 15th to July 30th as well as the second annual public hearing held in the City building. Copies of all relevant documentation were placed at the local library, senior center, in the Community Revitalization Department, and accessible online at: <http://www.cityofmiddletown.org/community/comdev.aspx>

Annual Accomplishments

Years	Accomplishment Narrative	# Benefitting
2014	People Working Cooperatively was able to serve just over 50 families during the Program Year. The repairs that they were able to make allow low/low-mod income families to live more comfortably in their homes. Some of the repairs that were made include repairing broken pipes, water heaters, thermostats, clogged sinks, and even door jams and locks to help the home be more secure.
