# **CDBG PY2013 Substantial Amendment**

## **City of Middletown**

### **(B-13-MC-39-0013)**

#### **Summary**

This notice is being published to amend activities described in the City of Middletown's 2010-2014 Consolidated Plan and convert a portion of the revolving loan fund to CDBG eligible activities. The City of Middletown, like most cities, has by necessity become more adept in determining what projects to prioritize, and establish the most cost effective way to do so. Two priorities for the City of Middletown are public safety and infrastructure. The City has a fire engine that is past its useful life and is in need of replacement. In addition, many streets are in poor condition and are long overdue for repaving. This substantial amendment will convert up to \$450,000 in the revolving loan fund to be used towards these activities.

#### **Currently in the Consolidated Plan:**

*Revolving Loan Program* – “As of February 2009, the City has 43 outstanding no interest/low interest loans totaling just over \$800,000 that have been used to rehabilitate over 50 properties in Middletown. During this Plan period, the Revolving Loan Fund will be utilized to offer low/no interest loans to eligible homeowners for rehabilitation expenses and sidewalk/cur/gutter repairs and dead tree removal in the target neighborhood each year.”

#### **2012 Substantial Amendment:**

*Revolving Loan Program* – “The City of Middletown will utilize the revolving loan fund to provide exterior rehabilitation to properties that are sitting vacant due to the foreclosure crisis. In these instances, neither the bank, nor the current/previous owner claim ownership to the property so it continues to deteriorate. The City would use the courts to permit access to the property to abate code violations. The cost of the rehabilitation would then be assessed on the property at 2.5 times per the local ordinance.”

#### **As Amended in this Notice:**

The Revolving loan fund will still be utilized as described in the 2012 Substantial Amendment. However, a portion of the revolving loan fund will be converted to CDBG to be utilized for the following:

#### **Fire Equipment**

Up to \$400,000 of converted revolving loan funds will be used to purchase a new fire engine. Public safety is one of the highest priorities of the City and a dependable fire

engine is integral to make that happen. This activity is eligible under 24 CFR 570.207(b)(1)(ii).

## **Street Paving**

Up to \$50,000 of converted revolving loan funds will be combined with CDBG and other City funds to be used toward eligible street paving. The City owns paving equipment so these streets will be paved in-house when possible, to ensure we get the most for the money. This activity is eligible under 24 CFR 570.201(c)

## **Citizen Participation**

The public comment period for this substantial amendment coincided with the PY2013 Annual Action Plan. The comment period started on February 8, 2013 and ended March 10, 2013. There was a public hearing on February 19, 2013 to discuss the PY2013 Annual Action plan, this Substantial Amendment, and welcome any additional comments. Third said Wednesday it signed a multiyear contract with NextJob, a Bend, Ore.-based re-employment company, to provide job search services for struggling Fifth Third mortgage customers.

Unemployed mortgage borrowers get help with a job search, including coaching, weekly webinars and access to online job search software, paid for by Fifth Third.

Fifth Third said it's the first financial institution to do something like this. Fifth Third is the largest bank in the Cincinnati-Dayton region, and one of the largest mortgage lenders.

The program was tested in 2012 with unemployed bank customers in serious risk of default on their mortgages, the bank said. On average, participants had been out of work for 22 months. Nearly 40 percent of people in the pilot were fully employed after six months, a success rate that's prompted Fifth Third to expand the program.

"Up to half of mortgage delinquencies are due to job loss," said Steven Alonso, head of Fifth Third Bancorp Consumer Bank, in a statement.

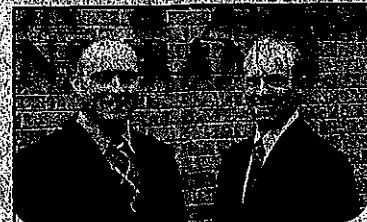

NextJob CEO John Courtney approached the bank with the idea, said Larry Magneisen, Fifth Third chief marketing officer.

"A foreclosure is the last thing banks want to do," Magneisen said.

Right now the program is by invitation only and meant for mortgage customers who start falling behind in payments because of job loss, Magneisen said.

get inspired to look next door for less expensive job-hunting services.
