Submission Deadline: 4:00 p.m. Friday, January 7, 2022

The City of Middletown through its Department of Development Services is inviting nonprofit organizations and City Departments to submit proposals for Community Development Block Grant funds for projects, programs and activities that will benefit residents of the City of Middletown and assist the City to fulfill goals and outcomes consistent with its most recent Consolidated Plan. The nine priorities outlined in the 2020-2025 Consolidated Plan are:

- 1) Address distressed and dilapidated housing, specifically rehabilitation of owner-occupied housing as one way to address distressed and dilapidated housing. This activity will keep people in decent, safe, and affordable housing, especially low-income and elderly homeowners who are at high-risk for being displaced.
- 2) Improve public infrastructure, especially the condition of roads in LMI target neighborhoods.
- 3) Address lack of amenities such as green space and create strong visual appeal through neighborhood beautification in LMI areas, specifically Oakland.
- 4) Increase efforts around workforce development to prepare those without employment, those who are underemployed or those not currently in the labor force to be prepared to fill the jobs available in the community.
- 5) Continue activities to provide safe activities for youth in the City.
- 6) Leverage partnerships and support efforts to strengthen social services in the City.
- 7) Addressing needs of homeless households.
- 8) Ensure there is appropriate housing for LMI households
- 9) Address issues of fair housing including training, education and response to fair housing complaints.

Nonprofits with projects consistent with these priorities are invited to submit a proposal for funding. The program year will start May 1, 2022 with funds anticipated to be released by HUD and available for reimbursement to subrecipients on or around August 1, 2022. The City is anticipating an allocation of CDBG funds in PY 2022 of \$675,975.

This Request for Proposals (RFP) is being disseminated electronically to agencies and individuals on an extensive list of prior applicants and is posted on the City's website as well as being provided on social media.

Requests for funding must be submitted to Department of Development Services by 4:00 p.m. on Friday, January 7, 2022. Proposals may be submitted electronically to ashleyc@cityofmiddletown.org, in person by hand-delivery to One Donham Plaza, Middletown, OH 45042 or via postal mail. **Any proposal not received by on or before the deadline will not be accepted.**

SUMMARY OF ELIGIBLE AND INELIGIBLE COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM ACTIVITIES

This is a summary, based on the Final Rules published in March 1996, of the activities that are eligible and ineligible for assistance under the Community Development Block Grant (CDBG) Program pursuant to the governing regulations of the Code of Federal Regulations, Title 24, Part 570, Sections 570.200-570.207.

General Policies -- 570.200

The primary objective of the CDBG Program is the development of viable urban communities, by providing decent housing and a suitable living environment, and expanding economic opportunities, principally for persons of low- and moderate-income. Funds must be used so as to give maximum feasible priority to activities which will carry out one of the three broad national objectives of: (1) benefit to low- and moderate-income families; (2) aid in the prevention or elimination of slums or blight; or, (3) activities designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community where other financial resources are not available to meet such needs. At least 70% of the total CDBG funds must be used for activities that benefit low- and moderate-income persons; and at least 51% of the beneficiaries of individual activities must be low- and moderate-income persons.

Basic Eligible Activities -- 570.201

 - Removal of material and architectural barriers that restrict the mobility and accessibility of elderly or severely disabled persons to public facilities or improvements;

The services must meet each of the following criteria:
 - A service must either be new or be a quantifiable increase in the level of an existing service above that which has been provided with State or Local funds in the previous twelve calendar months; and

SUMMARY OF GUIDELINES FOR ENSURING EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS

This is a summary, based on the Final Rules published July 9, 2004, of the guidelines regarding participation of faith-based organizations in programs and activities funded by the U.S. Department of Housing and Urban Development pursuant to the governing regulations of the Code of Federal Regulations, Title 24, Part 5, Section 109. This summary is based upon the Final Rules published July 9, 2004.

A. Equal Participation of Faith-Based Organizations in HUD Programs and Activities

Faith-based organizations are eligible, on the same basis as any other organization, to participate in the full range of HUD's programs and activities. This includes programs that make funds available through contract, grants, cooperative agreements, or other instruments for eligible goods, services, and activities as well as programs that do not make funds available, but involve other forms of benefit or resources, e.g., Federal Housing Administration (FHA) mortgage insurance or foreclosed properties that are available to qualifying organizations. Neither the Federal government, nor a State or local government, nor any other entity that administers any HUD program or activity shall discriminate against an organization on the basis of the organization's religious character or affiliation.

B. Inherently Religious Activities

Organizations that receive direct HUD funds under a HUD program or activity may not engage in inherently religious activities, such as worship, religious instruction, or proselytization, as part of the programs or services directly funded under the HUD program or activity. If an organization conducts such activities, the activities must be offered separately, in time or location, from the programs, activities, or services supported by direct HUD funds, and participation must be voluntary for the beneficiaries of these programs, activities, or services.

The term "direct HUD funds" refers to direct funding within the meaning of the Establishment Clause of the First Amendment. For example, direct HUD funding may mean that the government or an intermediate organization with similar duties as a governmental entity under a particular HUD program selects an organization and purchases the needed services straight from the organization (e.g., via a contract or cooperative agreement). In contrast, indirect funding scenarios may place the choice of service provided in the hands of a beneficiary, and then pay for the cost of that service through a voucher, certificate, or other similar means of payment.

C. Independence of Faith-Based Organizations.

A faith-based organization that participates in a HUD program or activity will retain its independence from Federal, State and local governments, and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs, provided that it does not engage in any inherently religious activities, such as worship, religious instruction, or proselytization, as part of the program or services supported by direct HUD funds. Among other things, faith-based organizations may use space in their facilities to provide services under a HUD program, without removing religious art, icons, scriptures, or other religious symbols. In addition, a faith-based organization participating in a HUD program retains its authority over its internal governance, and it may retain religious terms in its organization's name, select its board members and otherwise govern itself on a religious basis, and include religious references in its organization's mission statements and other governing documents.

D. Exemption From Title VII Employment Discrimination Requirements

A faith-based organization's exemption from the Federal prohibition on employment discrimination on the basis of religion, set forth in section 702(a) of the Civil Rights Act of 1964 (42U.S.C. 2000e-1), is not forfeited when the organization participates in a HUD program.

E. Nondiscrimination Requirements

An organization that receives direct HUD funds shall not, in providing program assistance, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief. Organizations participating in HUD program and activities must also comply with any other applicable Federal fair housing and nondiscrimination requirements.

F. Acquisition, Construction and Rehabilitation of Structures

HUD funds may not be used for the acquisition, construction, or rehabilitation of structures to the extent that those structures are used for inherently religious activities. HUD funds may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under a HUD program or activity. Where a structure is used for both eligible and inherently religious activities, HUD funds may not exceed the cost of those portions of the acquisition, construction, or rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to the HUD program or activity. Sanctuaries, chapels, and other rooms that a HUD-funded religious congregation uses as its principal place of worship, however, are ineligible for HUD-funded improvements. Disposition of real property after use for the authorized purpose, or any change in use of the property for the authorized purpose, is subject to government-wide regulations government real property disposition (see. e.g., 24 CFR parts 84 and 85).

STANDARDS TO DETERMINE COMPLIANCE WITH NATIONAL OBJECTIVES

Each CDBG funded activity must meet one of three broad national objectives:

1. Benefit to low- and moderate-income persons.
2. Aid in the prevention or elimination of slums or blight.
3. Designed to meet community development needs having a particular urgency.

At least 70 percent of the grantee's funds must be used for activities that benefit low- and moderate-income persons; while individual activities must benefit at least 51 percent low- and moderate-income persons.

1. Activities Benefiting Low- And Moderate-Income Persons

- a. **Area benefit activities:** An activity whose benefits are available to all of the residents in a primarily residential area where at least 51% of the residents are low- and moderate-income persons.
- b. **Limited clientele activities:**
 - 1) An activity which benefits a specific group of people, at least 51% of whom are low- and moderate- income persons:
 - i. Clientele presumed to be principally low- and moderate-income: abused children, battered spouses, elderly persons, severely disabled adults, homeless persons, illiterate adults, persons living with AIDS, migrant farm workers;
 - ii. Individuals whose family income does not exceed Section 8 low- and moderate-income limits;
 - iii. An activity with eligibility requirements exclusively for low- and moderate-income persons; or
 - iv. Activities of such nature and in such location that it may be concluded the clientele will primarily be low- and moderate-income persons.
 - 2) An activity that serves to remove material and architectural barriers to the mobility and accessibility of elderly or severely disabled persons.
 - 3) A microenterprise assistance activity carried out by low- and moderate-income owners or developers.
 - 4) An activity designed to provide job training and placement and/or other employment support services for less than 51% low- and moderate-income persons if the proportion of the total cost of the project borne by CDBG funds is no greater than the proportion of the total number of low- and moderate-income persons assisted.
- c. **Housing activities:** An activity which provides or improves permanent, residential structures which will be occupied by low- and moderate-income households upon completion.
- d. **Job creation or retention activities:** An activity designed to create or retain permanent jobs, at least 51% of which, computed on a full-time equivalent basis, involve the employment of low- and moderate-income persons.

2. Activities Which Aid In The Prevention Or Elimination Of Slums Or Blight

- a. Activities to address slums or blight in a designated area.
- b. Activities to address slums or blight on a spot basis.
- c. Activities to address slums or blight in an urban renewal area.

3. Activities Designed to Meet Community Development Needs Having A Particular Urgency

- a. Posing a serious and immediate threat to the community's health or welfare.
- b. Being of recent origin or recently becoming urgent (generally within the past 18 months).
- c. The grantee is unable to finance the activity on its own.
- d. Other sources of funding are not available.

GUIDANCE FOR PROPOSAL BUDGET FORM AND LIMITATIONS ON THE USE OF CDBG FUNDS

The proposal must include a one-page budget form to identify the line item costs that are included in the proposed budget. **Do not exceed the one-page limit.** The budget form on page 12 is a sample and not all of the lines may be necessary.

The budget should reflect the amount being requested from CDBG funds, not the total organizational budget. The form should identify in separate columns the line item amounts being requested from CDBG funds and those from other funding sources that will support the project. Do not use cents but round off each amount to the nearest dollar.

If a proposed project includes construction and/or acquisition as well as program operation and delivery of services, the funding request must be prepared as two separate proposals identifying the respective activities and costs.

Limitations to the use of CDBG funds: Before completing the Budget Form, please review very carefully the following limitations to the use of CDBG funds which should be observed.

1. Expenditure of Fund Within the Fiscal Year Allocated

Applicants should apply for the funds for fiscal year 2022-23 only if the applicant is certain that requested CDBG funds can be expended within that funding cycle. HUD requires that funds be expended in the year in which they are allocated. Delays in expenditure can result in the reprogramming of unexpended funds. Only in limited circumstances, such as a justifiable emergency, should the City carry forward funds to the subsequent year. If anticipated planning or predevelopment activities, particularly for capital/infrastructure and housing improvements might be prolonged beyond 2022 the request for funds should be deferred to a Request For Proposals in a future funding year beyond the current program year.

Property Acquisition:

- a. Itemized costs of appraisal, inspection and purchase must be provided.
- b. Requests for acquisition of property must include a purchase agreement with the owner. A property owner who is an employee, agent, officer or consultant of an agency applying for capital improvement funds could potentially be in conflict of interest by deriving a direct financial benefit from improvements to his/her property.
- c. CDBG funds may be used for acquisition of a public facility if the entity undertaking the purchase takes title to the property. **However, HUD has determined that paying off or refinancing a loan obtained for the purchase of real property is not considered acquisition if no change in title results.**
- d. A request for property acquisition should identify the proposed site and sale price, as well as the estimated value based upon comparable market values.

- e. CDBG funds may not be used for the acquisition of structures used for inherently religious purposes but may be used for structures in which eligible activities under a HUD program or activity are conducted. Where a structure is used for both eligible and inherently religious activities, HUD funds may not exceed the cost of the portion of the acquisition that is attributable to eligible activities in accordance with the cost accounting requirements applicable to the HUD program or activity.

2. Lease and Rent Payments:

- a. CDBG funds may not be used solely for lease or rent payments without other allowable operating costs.
- b. Agencies receiving CDBG funds may be precluded by Federal conflict of interest provisions from renting or leasing space from a public official or from an employee, agent, officer or consultant of their agency.

3. Capital Improvements:

- a. Requests for funds to undertake capital improvements to real property or open space development must include proof of legal ownership or authorization from the owner to perform the improvements.
- b. Proposals to undertake capital improvements on City-owned facilities will only be accepted from the responsible operating City Department.
- c. Renovation costs may include equipment provided that the equipment is fixed and permanent and is not moveable.
- d. A request for capital improvements should be supported by cost estimates, preferably from at least three (3) reasonable, responsible sources that comply with Equal Employment Opportunity standards and can meet the City's reporting requirements.
- e. CDBG funds may not be used for the construction or rehabilitation of structures used for inherently religious purposes but may be used for structures in which eligible activities under a HUD program or activity are conducted. Where a structure is used for both eligible and inherently religious activities, HUD funds may not exceed the cost of the portions of the construction or rehabilitation that is attributable to eligible activities in accordance with the cost accounting requirements applicable to the HUD program or activity.
- f. Identify other funding sources and the discrete portion of the work to be done with Middletown's CDBG funds.

4. Capital Equipment:

Lease or rental of capital equipment is generally advised because all assets which an agency acquires with CDBG funds have, upon termination of the grant agreement, to be transferred to the City or the agency must reimburse the CDBG Program at the current per unit fair market value less the amount of depreciation previously agreed upon with the City. Estimates of the lease/rental costs should be provided.

5. Indirect Costs:

If Indirect Costs are to be included as a line item a detailed cost allocation plan must be submitted for City files that lists the costs to be charged, the total annual allocation for each line item, the amount charged to other grants or agreements, and the percentage to be charged to the CDBG agreement. As established by the Federal Office of Management and Budget, indirect costs are those incurred for general organizational overhead expenses that do not relate solely to any single activity, such as the salaries and expenses of executive officers, personnel administration and accounting as well as depreciation or use allowances on buildings and equipment and the costs of operating and maintaining

facilities. Costs directly related to delivery of a grant-funded activity such as personnel and operating costs should be charged as direct line item costs in the budget.

6. Unallowable Costs:

The following costs are unallowable: bad debts; contingencies; contributions and donations; entertainment costs (including meals for social events and awards/graduation banquets); gifts or incentive awards to individuals; fines and penalties resulting from violations of or non-compliance with Federal, State, and Local laws; interest on borrowed capital; fundraising; investment management; losses on other awards; and litigation expenses.

GUIDANCE FOR REQUIRED DOCUMENTS

Certain required documents, as described below, must be submitted with the proposal.

They further identify the principals (owners or officers) of the corporation; indicate if they will sell stock; and give the corporation's full legal name. - Designation of the person authorized to negotiate for and contractually bind the agency. The name, position title, mailing address, telephone number and email address of the authorized individual must be provided.

d. **Organizational Chart**

An organizational chart must be provided which describes the organization's administrative framework and staff positions, which indicates where the proposed program will fit into the organizational structure, and which identifies any staff positions of shared responsibility. The names of the staff persons in each position, including the Chief Program Administrator and the Chief Fiscal Officer, must be provided.

e. **Resume of Chief Program Administrator**

The resume should identify the person by name and position title. The position title should be indicated in the heading of the resume so that it is readily identifiable.
